LETTERS OF PATRIARCH TIMOTHY-I

(778-820 A. D.)

ABOUT THE AUTHOR

One of the well-known Patriarchs of the Church of the East is Mar Thimotheus I (d. 821 A. D.) He was a passionate Christian, tireless worker, able leader, wise builder, devoted Churchman, theologian, and the last, but not the least, a great missionary. His name is written in golden letters in the history of expansion of the Church of the East as well as in the history of the doctrines of our Chuurch.

He was born in 727 or 728 A. D. in Adiabene. His uncle was Mar Geevarghese, the Bishop of Beth Bagash. The boy was sent to the famous monastery of Beth Abe, where he got his theological training. It is written in the "Book of Governors" of Thomas of Marga that an old monk prophesied to this young man:

> "......Guard thyself from all ignoble things, for thou shalt become Patriarch of all the country of the East. And behold, our Lord will make thee triumphant so that like unto thee no one hath ever been, and before and after thee no one shall ever be. Forty and two years shalt thou stand at the head of all the pastures of Christ, and when by the hand of God thou hast been exalted to these things, let thy heart be disposed to honour this holy house......"

He became a successor to his uncle as the Bishop of Bet Bagash before 770 A. D. In 779 Mar Khananisho Patriarch died of poisoning. Mar Timotheus was made the Patriarch. He was a scholarly Patriarch and became a well known author.

This much awaited book is now released hoping that tne students of Syriac literature and Church History will find it profitable. The printing of the remaining pages depends upon the interest the readers show in the letters by the patriarch who lived about 12 centuries ago.

Some letters had already been printed in 1968-70 in the Voice of the East (*Qala min madnha*) magazine:

The manuscript from which these pages have been printed was copied in 1897 A. D. The date of the earlier manuscript from which this copy is made is not mentioned any where in this copy. This was written in Alkosh, village of Prophet Nahum. This was copied by Deacon Isa, son of Eshaya, son of Deacon Quriaqose from the village of Iqror.

Mar Abimalek Timotheus Metropolitan, brought this to Trichur from the Middle East.

FOREWORD

I have great pleasure in writting a Foreword to the book entitled *Letters of Patriarch Timothy I.* The famous and scholarly patriarch of the Church of the East (778-820 A. D.) who had an erudite but friendly dialogue with the Caliph al Mahdi, is well known to the students of Islam. This patriarch also wrote several letters to people in different positions.

The contents of this book is the first 38 letters of the patriarch, contained in a manuscript. found in tha Metropolitan's Palace, Trichur The manuscript, contains 54 letters as well as the dialogue with the Caliph. This book is only the first part of the manuscript. The remaining section (letters 39-54) and the dialogue would be published later.

In September 1968 when the late Mar Thoma Darmo left India for Bagdad he had completed only upto one half of the letter No. 38 which is on the page 328 of this printed book. He could not return to India. On 7 Sept. 69 he was called to eternal rest in Bagdad.

Due to difficulties of finding suitable persons to do Syriac type setting in Mar Narsai Press, the completion of this book was postponed year after year. Now is 1981, 13 years after printing these 328 pages, this book is being published, as it was left by the late Mar Thoma Darmo.

As there is no Assyrian national in India now, who is well-versed in Aramaic, it is no easy to undertake the printing of Syriac books as it used to be done upto 1968. Nevertheless Mar Narsai Press has published several books in English related to the history, faith and worship of the Church of the East. Perhaps Mar Narsai Press will publish later the remaining letters and a study in English on them. The remaining letters are the following.

39. To the brothers and students residing in the *Daira* of Mar Gabriel in Mosul.
40. To Rabban Pithyon Qashisha and *Malpana*
41. To Sargis
